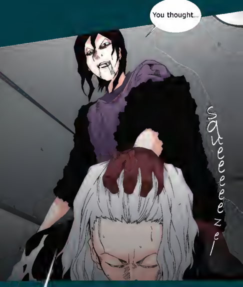
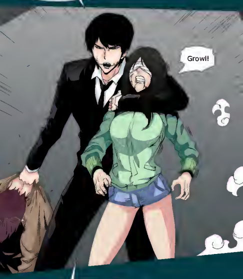
EP.2 Kidnappers

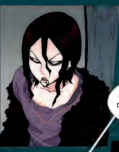
NASTY CAT



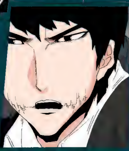
You thought...
Squeeeeeeze!
you could threaten me with just him?



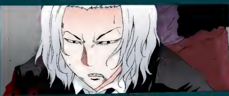
I remember hearing a report.
Research was done to try to communicate with Trouble.
Growl!
From the looks of this, it seems you were somewhat successful
What are you trying to say?



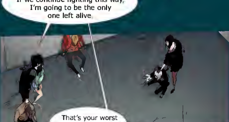
So then these Trouble probably are dear to you. I'll let these two go, so you let him go too



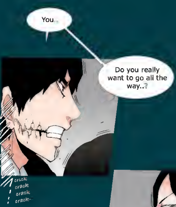
And then we go our separate ways.
Even Secretary Ha was subdued
He shouldn't have been this strong. What happened while he was missing?



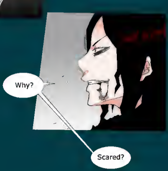
… …
Then I'm taking ArmorLine.
You don't seem to understand. If we continue fighting this way, I'm going to be the only one left alive.



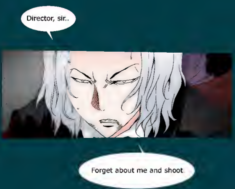
That's your worst case scenario.
I'm giving you a chance for Secretary Ha's sake.
Why would you be the only one left alive?
I think I'd survive?



You..
Do you really want to go all the way..?
crack crack crack crack-



Why?
Scared?



Director, sir..
Forget about me and shoot

Don't follow us! If you do, we'll kill this Trouble immediately.

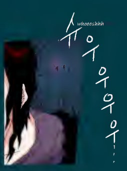
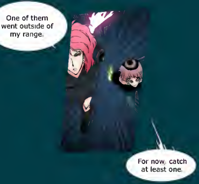
I'll kill you!!



슈우우우우... whoooshhh



One of them went outside of my range.
For now, catch at least one.

I'll blow you all up!!

One of them escaped the range of my detection.
